Sir,

With reference to your Docket No. 894/167-92 dated 2nd June 1893, requiring me to point out the source from which the Extra charge of Rs. 649-4-5 incurred on account of Barahagar Sambarpane at Subbramanya during the year 1892, has to be met, I have the honor to state that the Tasdeek in question is in quantities of

grain and not of Money. The Expenditure varies according to the rates of provisions, prevailing in Each Year for the time being. Sometimes it falls below the Sanctioned Amount of 2000 Rs. and Sometimes it Exceeds that amount. The provisions during the Year 1892, being Exceptionally dear, the Extra charge had to be unavoidably incurred to purchase the required quantities of grain and other things as per Tasdeek, as already pointed out in my letter No. 1101 dated 12th May last. Under the above circumstances May you will be kind enough

to obtain Special Sanction of Govt for the Extra charge referred to. -

2. If this is not concurred in by Government, I beg to point out that the Bisle of Manuhally Chattram Savings are the only sources from which the above charge should be met and I beg to forward the necessary Treasury Certificate showing the amounts standing in favor of the above Institutions. The Enclosures of the Docket under reply are also herewith returned. -

Sir

With reference to your docket No 86/167-92 dated 8 instant, observing that Rs 327-11-7 has been exceeded over the grant of Rs 2700 for the Bada hazara Suntarpane of 1897, I have the honor to state that a sum of Rs 85 has been spent towards the temporary structure at Bisle for which sanction has been accorded in para 1 of your no 469/167-92 dated 29th October 1897. Deducting the above sum, the excess of ~~Rs~~ 242-11-7 is due to the dearness of provisions Compared with last year -

From

From the enclosed Vernacular papers it will be seen that the rates for supply of provisions were approved by me after careful scrutiny of the prevailing rates in the markets of the District. I beg to take this opportunity of pointing out for the information of Government that the selling price of the grains is going higher every year and that the grant of Rs 2700 sanctioned for the Barahazara Sanitarium is necessarily insufficient and I beg that the amount for the next few years may be fixed at Rs 3000. Under the above circumstances, I request that early sanction may kindly be obtained as the merchants have been complaining about certain payments still due to them.
